Old News:

Tommy not yet finished with the 100 hr. inspection. Lane, Greg, and Derek are to look into maintenance options for future inspections.

New News:

Fly-For-Tots outcome, \$1,240.00 + 120 Gifts Received, 144 passengers Flown

Future Maintenance:

Don Swords: \$650.00 for std. annual or 100 hr. insp.

Ken Ellis: \$850.00 annual

Dave Harwell: \$800.00 annual

This will be looked at again before we perform the next annual inspection.

Financial Report:

Direct cost annual budget of \$17,074 (\$1,423 / mo.) very realistic. Actual Direct Cost \$17,419.00. Should finish the year with approx. \$5,500 in bank if everyone pays their Dec. bill. We will incur an \$847.00 Ins. Bill and \$500.00 A/C Payment early January 2010. Derek will follow up with our insurance company to make certain there will be no lapse in coverage.
