

WCGFC Meeting Minuets

Date: 9-17-2009

Location: KOPN Airport

Attending: Derek Landstrom, Jeff Hayes, John Brazelton, Bruce Wilson

Old News:

If we have not heard from George Andrews by 9-21-2009 (30 days from termination letter), his membership will be terminated.

Greg has not yet approached Mitch about a fuel discount (similar to Falcon Aviation’s discount).

New News:

The Treasure reported the following:

Current checking account balance	\$910.30
Outstanding Receivables	\$961.76
Remaining known expenses for this Month (MTC & Fuel Credit).....	(\$292.65)
Payoff on the club Plane	\$18,120.00
Other outstanding loans	\$0.00

The pitot/static system and Transponder check will be done by Ray Allen by the end of September. He will be making a trip up to OPN before the end of the month according to Jeff Hayes. The cost will be \$240.00 if no parts or repair work is needed.

Everyone was reminded that Fly for Tots would be the first Saturday in December. Kristy Mulling will be in charge and will be invited to the next meeting to coordinate details with us. We discussed using the Fly for Tots to get some exposure for the WCGFC and its roll in Fly for Tots. We discussed setting up a food and beverage stand to collect donations for the Club and advertise the Club.

Jeff Hayes will inquire about premium rates for adding multiple student pilots to his C-172 to get a possible bench mark for the clubs future insurance rates. We may even look at annual flight reviews in lieu of bi-annual flight reviews to help reduce insurance rates.

Meeting was adjourned.

Derek Landstrom, Sect. & Treas. WCGFC
